

Grace Church Shrewsbury

...that we may present everyone perfect in Christ - Col. 1:28

Campus Usage Policy

Grace Church Shrewsbury seeks to faithfully use its facilities to glorify God by sharing the gospel and serving the community. The facilities are available to all individuals and organizations whose purpose and activities are not in conflict with or are deemed to be inconsistent with the Statement of Faith/Doctrine, Mission and Vision of Grace Church as well as the Book of Discipline of the United Methodist Church.

Use of Church Facilities. The Church's facilities usage policy has two very important reasons. First, the church may not in good conscience materially cooperate in activities or beliefs that are contrary to its faith. Allowing its facilities to be used for purposes that contradict the church's beliefs would be material cooperation with that activity and would be a grave violation of the church's faith and religious practice (2 Corinthians 6:14; 1 Thessalonians 5:22); and

Second, the church must present a consistent message to the community, and the church staff and members must conscientiously maintain that message as part of their witness to the Gospel of Jesus Christ. Allowing facilities to be used by groups or persons who express beliefs or engage in practices contrary to the church's faith would be considered by many outside of the Church to be an endorsement of activities or beliefs that are in conflict with or deemed to be inconsistent with the Church's beliefs, faith and moral teachings, and have a severe, negative impact on the message that the church strives to promote. It will cause confusion and scandal to church members and the community

This policy applies to all church facilities, regardless of whether the facilities use in any way contradicts the church's faith. (Col 3:17).

Church facilities use restrictions

Use of the facilities, or any portion thereof including the land will not be permitted to persons, organizations or groups holding, advancing, or advocating beliefs or practices that conflict with or are deemed to be inconsistent with the church's faith or moral teachings, which are summarized in, among other places, in the Statement of Affirmation. Nor may church facilities be used for activities that contradict, or are deemed inconsistent with the church's faith or moral teachings. The pastor, or his official designee, shall be the final authority and decision-maker determining whether a person's, organization's, or group's beliefs or practices, or its proposed use of the Church's facilities is in conflict with or deemed to be inconsistent with the Church's beliefs, moral teachings, Mission, Vision, constitution or bylaws.

The Policy of the Susquehanna Conference of The United Methodist Church requires that all non-church related activities and ministries must indemnify and hold Grace Church harmless against any and all liabilities arising out of or in regard to the use of its facilities. Additionally all non-Grace Church groups or organizations must provide a certificate of insurance naming Grace United Methodist Church as insured for any/all liabilities for all programs, events or gatherings other than an approved meeting of less than fifteen people.
